The Hat Water Game

1 – Goal

A Relay course by pairs of 2 pupils in each team and each team must fill up bottles of water as much as they can.

2 – Equipment

Blocks – Hoops – plastic cups – empty plastic bottles of 1 liter – 2 trays – 2 jugs – funny hats – scarves – banners ...

3 – Rules

To make pairs with a total group of 10 to 12 pupils to make 2 teams.

Each team must wear a funny hat

Constraints : 1 team mate has his eyes blindfolded and the team is attached side by side by their feet with a banner or scarf.

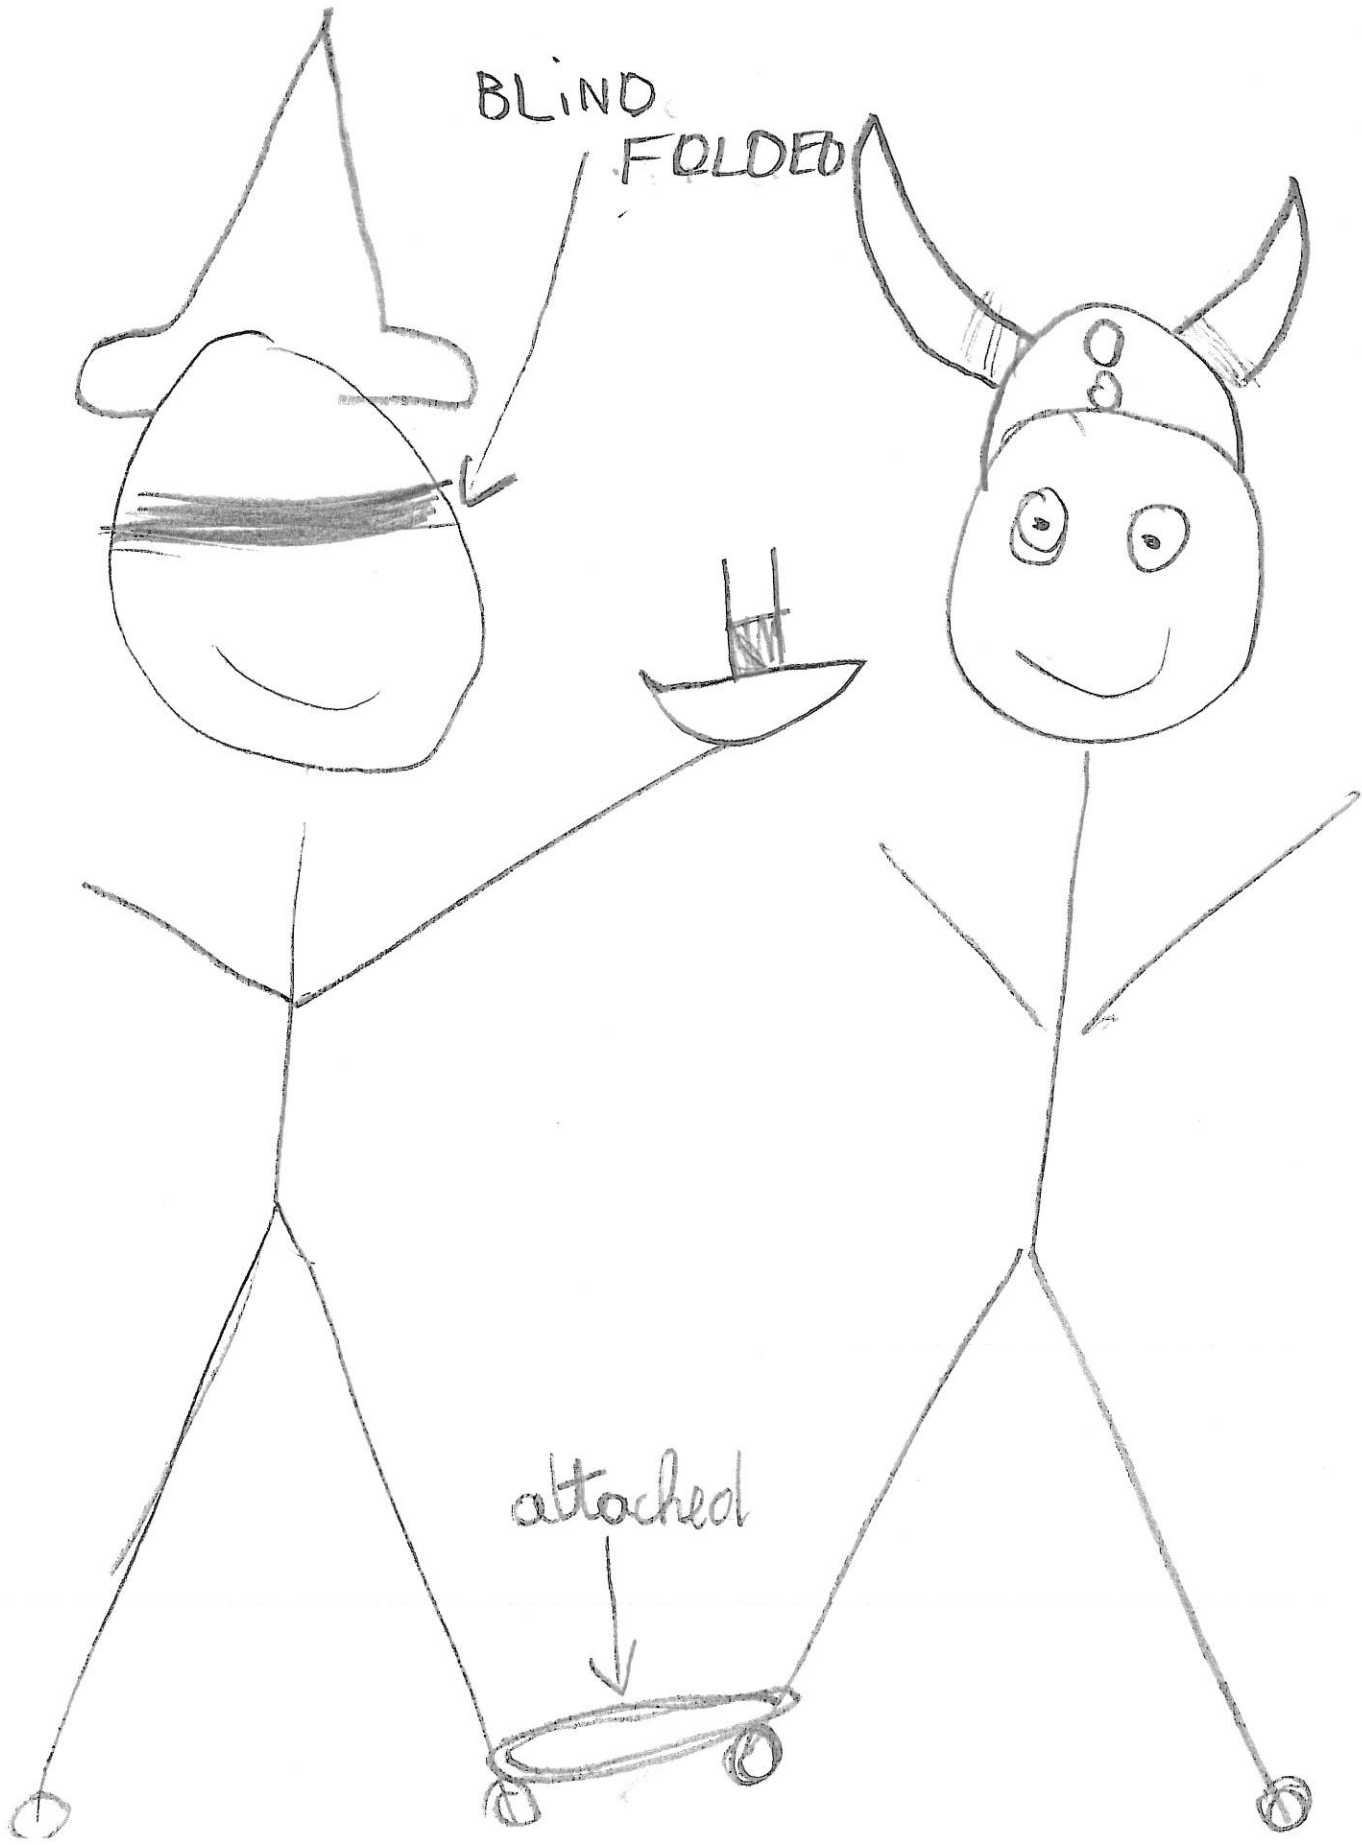

On my Go, each team must run as fast as possible holding a tray with a plastic glass full of water, and do a relay course to end on the finishing line. Each team will have to empty his plastic cup into the empty plastic bottle.

After 1 course, each pair gives the relay to another pair and so on until each pair has done his relay course.

On the last part of the game, each pairs must redo the relay course with their eyes opened but still attached by their feet.

4 – THE WINNING TEAM

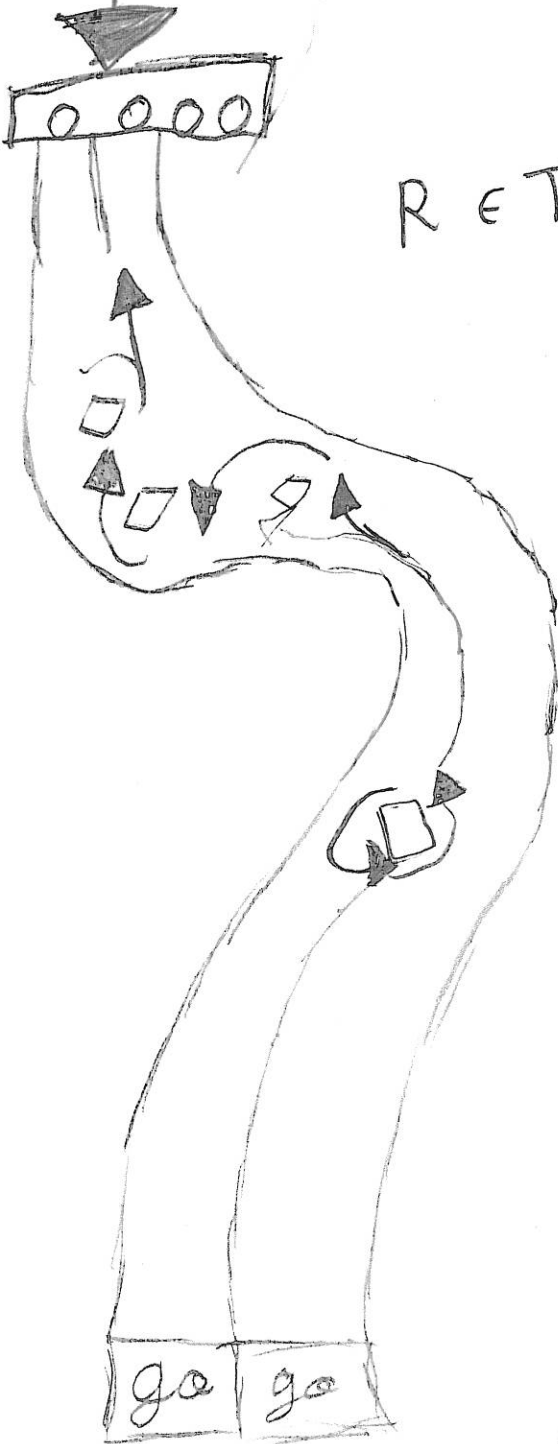

The winner is the team who managed to fill up the maximum volume of water in the bottle.
